

Qualification Libraries

29/07/2025 9:25 am BST

Summary

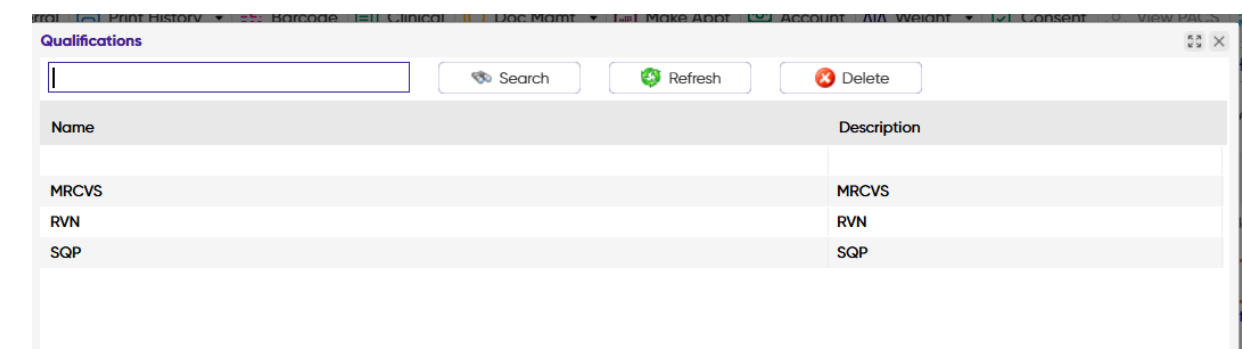

This page documents the libraries available under the Qualifications library.

For information on how to update/sort libraries, see [How to Use Libraries](#)

Details

Qualifications

Qualifications can be assigned when [adding/editing a surgeon](#) and will display alongside the surgeon name.

The screenshot shows a web application window titled "Qualifications". At the top, there is a search bar and three buttons: "Search", "Refresh", and "Delete". Below these is a table with two columns: "Name" and "Description". The table contains three rows of data: MRCVS, RVN, and SQP, where the Name and Description values are identical for each row.

Name	Description
MRCVS	MRCVS
RVN	RVN
SQP	SQP
