Summary

Daylist Settings can be accessed via: Administration > Settings and selecting the 'Daylists' category.

This page documents each setting.

Details

The screenshot shows the 'Configuration Settings' interface. On the left, a 'Categories' sidebar lists various system modules, with 'DayLists' highlighted by a red rectangle. The main area is titled 'DayLists' and contains two sections of settings. The first section, 'DayLists', has a 'Site' dropdown set to 'Esher SA' and a 'Save' button. Below this are seven checkboxes: 'Display Special Surgeons in Surgeon List' (unchecked), 'Show Hospital Bookings in Full List' (checked), 'Show Operation Bookings in Full List' (checked), 'Show Ultrasound Bookings in Full List' (checked), 'Show Radiology Bookings in Full List' (unchecked), 'Show Repeated Prescription Bookings in Full List' (unchecked), and 'Always show current day in Day Lists' (checked). The second section, 'Memo on Payment', has three radio buttons: 'Do not show' (unselected), 'Show Memo Popup in Daylists (After Payment)' (unselected), and 'Show Memo Popup in Daylists (Before Payment)' (selected).
